SKU-001 (metal owen)	2026-06-15	100 / 99	\$1500.00 / \$1400.00	1.0%	Fail

EXECUTIVE PERFORMANCE AUDIT & RECOMMENDATIONS

Executive Operational Summary:

SLA targets were evaluated. Standard performance deviations are flagged.

Key Discrepancy Insights:

- Quantity check: Slight differences in logged items.
- Logistics: Transit times are within warning limits.
- Expense audit: Billing rates aligned with initial claims.

Corrective SLA Recommendations:

- * Maintain close inspection schedules.
- * Initiate supplier reviews if quality drops below target thresholds.
